To Whom It May Concern:

This letter is my personal recommendation for Natasha Davis. I am a registered nurse on the Board of Directors of the State of Georgia Perianesthesia Nurses' Association. As a member of the planning committee, one of my responsibilities was to find a speaker for the Georgia State Nurses' Annual Seminar. During a personal appointment, I had the opportunity to meet Ms. Davis. While at this appointment, Ms. Davis overheard a conversation of mine in regards of searching for a speaker. It was at this time that she introduced herself and willingly volunteered her services.

For the state seminar, the committee chose the topic we wanted her to speak on and she accepted and took the challenge without question. Below are a few evaluation comments in regards to her presentation:

“Love Natasha, great motivator”

“Natasha was great, enthusiastic about her topic and presentation”

“Natasha was phenomenal, inspiring and made us feel empowered”

Natasha's interaction with the audience demonstrated her ability to devise and deliver an effective presentation as a professional speaker and facilitator.

Since that time, Natasha and I have become great friends for well over a year. During the course of this friendship, I have found Natasha to be an honest, conscientious, and hard working young woman with wisdom and vision beyond her years of maturity. Natasha is extremely organized and detail oriented. I clearly see why her qualifications makes her well suited to hold positions as Director of Membership at the World Chamber of Commerce and recognized for the Excellence in Marketing Award.

As the owner of her own company and author of an inspiring and inspirational book; I am confident that her experience, excellent communication skills and high degree of professionalism would be an asset and make a valuable contribution to any organization.

I would gladly have her as speaker/presenter, and trainer for our organization at anytime, and will be happy to provide further information if required. I can be reached at (770) 471-0587 or [ssprim@comcast.net](mailto:ssprim@comcast.net)

Yours Faithfully,

Shirley S. Primus, R.N. BS
