

## VIP IMPACT Immersion Overview

In this two day hands on deep dive into your company, daily operations and performance as a leader; You will experience what it feels like to leverage your time and resources, so you can enhance the performance of your company, complete unfinished projects, implement profitable business processes and strengthen your abilities as an effective CEO.

***The entire focus for 48 hours is on enhancing performance and efficiency!!!***

Chief Branding Strategist and Executive Coach, Natasha Davis comes to your main office location to work side by side with you drilling down into your company, daily operations and functionality as a CEO. She strategically guides you into becoming more productive each hour of the day, while identifying your untapped revenue sources.

The **VIP IMPACT** Immersion is strategically designed to enhance the following:

Infrastructure   Management   Profitability   Actions   CEO Leadership   Time Management

### **The VIP IMPACT Immersion is Perfect for You if:**

- 1) You're finally ready to get your projects completed so you can bring in the revenue that you are currently losing each month.
- 2) You're ready to get control of your day so you can take care of what's important and feel the sense of accomplishment instead of guilt and shame from being unproductive.
- 3) You're ready to design your path as a CEO so you can leverage your knowledge and time to become the business owner that you know you deserve to be.
- 4) You're ready to simplify and systematize your business structure so you can have more time, decrease chaos, and achieve the annual goals that you never seem to accomplish.

### **The VIP IMPACT Immersion is NOT for the person who:**

- 1) Wants to keep doing things the same way even though it hasn't gotten them where they want to be.
- 2) Would rather make excuses than make an investment in their personal growth and business success.

**Is this perfect for you?**      \_\_\_\_\_ YES      \_\_\_\_\_ NO

**Core Focus during the Immersion:**

- High level Strategic Planning
- Profit mapping
